

## Heated Insulated Safety Vests

This heated safety vest features 4 temperature settings for adjustable comfort, and the premium insulation provides long-lasting warmth even in the coldest weather extremes.

### Key Features and Benefits:

- Multi-panel CNT (Carbon Nanotube Technology) heating elements generate active warmth across core body areas
- Easy-to-use LED switch powers ON/OFF and four separate heat settings
- Includes a USB port to connect to a rechargeable power bank (power bank not included)
- Made with premium 120 GSM insulation with extra-soft taffeta lining
- ANSI/ISEA 107-2020 Class 2 Type P and R (Class 1 Type O for black)
- Premium Startech® reflective tape provides maximum visibility in all weather and light conditions
- Oxford polyester material with PU coated shell is waterproof and windproof
- Double-stitched and heat-sealed seams provide durability and maximum water resistance
- Includes five total pockets for maximum versatility
- Entire garment is machine washable
